The Public Information Officer has not furnished the sought information to the appellant.

Since the appellant did not receive the information from the Public Information Officer, he filed 1st appeal dated 13-11-2020 before the 1st Appellate Authority requesting him to furnish the information sought.

As per the records enclosed it is noticed that the 1st Appellate Authority had failed to hear the case and pass appropriate orders on the 1st appeal filed before him.

As the appellant did not get information from the Public Information Officer, he preferred this 2nd appeal before this Commission requesting to arrange to furnish the information sought by him.

The 2nd Appeal was taken on file and notices were issued to the parties concerned for hearing on 15-06-2022.

On 15-06-2022 the case is called. The Appellant is absent. The Public Information Officer / Superintendent, O/o the Municipal Commissioner, Karimnagar Municipality, Karimnagar is present. The 1st Appellate Authority is absent.

The Public Information Officer submitted that the sought information was furnished to the appellant on 10-6-2022 after receipt of the notice from the Information Commission.

The record goes to show that the 6(1) application was filed on 10-10-2020 and the Public Information Officer has furnished information to the appellant on 10-6-2022 after receipt of notice from the Commission with a delay of nearly two years.

The Commission took a serious view in the delay of furnishing information and directs the Public Information Officer to be more careful in future while dealing with the applications filed under RTI Act, 2005.

Since information is furnished, **the Appeal is closed.**

Issue **show cause notice** to the then Public Information Officer for not furnishing the sought information to the appellant within the stipulated time. The action on the show cause notice shall be dealt with separately.
