In view of the above, with a request to both the parties to attend for hearing on **07-04-2021 at 10.30 AM.**

The Case was heard on 07-04-2021. The complainant was absent. The APIO/ Sri.T.J.David, Office Superintendent, O/o. the Director of Medical Education, Koti, Hyderabad was present and stated that a letter Rc.No.22404/RTI/2019, dated.09-07-2019 has been forwarded to the appellant through registered post stating that the information sought by him pertains to the period before the bifurcation of the state and so the same is not available in their office. The PIO further stated before the Commission that the appellant can seek the same information by filing a separate 6(1) application from the AP state.

Heard the PIO and perused the material papers available on records. The Commission observed that the appellant is seeking information about the records before bifurcation of the Telangana state and so was unable to furnish to the appellant. Hence the Commission advises the appellant to file a separate 6(1) application before the concerned PIO of the AP state and seek the information.

With the above direction, the appeal is closed.
