P,T.O

In view of the above, notice is issued to both the parties to attend for hearing on **16-02-2022 at 10.30 AM.**

The Case is heard on 16-02-2022. Sri V.Gnaneshwar, representative of the appellant is present and stated that the PIO has not furnished the information. The PIO/ O/o. the District Educational Officer, Karimnagar District is absent.

Heard the appellant and perused the material papers available on record the Commission observed that the PIO has failed to furnish the information to the appellant and was absent for hearing even after the receipt of notice from the Commission. The Commission directs to issue **Show Cause Notice** to the PIO for not furnishing the information and also for his/her absence for hearing before the Commission.

The Commission is of the view that the First Appellate Authority is a senior officer to the Public Information Officer and to ensure that the Public Information Officer is discharging his functions properly rests upon him. The very fact that the First Appellate Authority has not responded shows his lethargic attitude and wanton negligence to perform his obligations under RTI Act. Hence the Commission directs the First Appellate Authority to submit his explanation for not taking any action against the public Information Officer in performing his duties as per the provisions of RTI Act.2005.

The Commission also directs the PIO to furnish the information to the appellant within one week from the date of receipt of this order through RPAD and to report compliance to the Commission. The order on **Show Cause Notice** will be dealt separately.

With the above direction, the appeal is adjourned and postponed to **16-03-2022 at 10:30 AM.**

The case was again heard on 16-03-2022. The appellant was absent. The PIO and the FAA O/o the District Educational Office are also absent. Since the PIO & FAA are absent the Case was adjourned to **29-03-2022.**

The case is again heard on 29-03-2022. The FAA/Sri Ch.Janardhan Rao, District Educational Officer, Karimnagar District is present and stated that vide letter No.849/RTI/N.N/2020 the part information was furnished to the appellant and for remaining information the appellant was called for verification of records but the appellant did not approach their office.

Heard the PIO and perused the material papers available on record. The Commission observed that the PIO has furnished the part information to the appellant and for remaining information called the appellant for verification of records.

Hence the Commission directs the PIO to once again call the appellant for verification of records as per Section 2(j) of RTI Act by issuing a prior intimation to the appellant and furnish the remaining information within two weeks through RPAD and to report compliance to the Commission.

With the above direction, the appeal is closed.
